PARTY TALK

HAPPY 4TH OF JULY
Preserve Our Freedoms

Note from Chairman David Cole
Missouri Republican Party

Two hundred and thirty-three years ago, brave Americans gathered in Philadelphia to assert that the right to self-determination was a universal freedom granted not by government, but by a much higher power. This was considered a radical idea—and thousands perished fighting to defend a fledgling nation founded on these principles.

Over the course of more than two centuries, ideologies determined to deny fundamental rights to their citizens have risen around the world. Each time, the task of preserving liberty has fallen to subsequent generations of Americans, and each has proudly carried that mantle—although it has not gotten any easier.

Thanks to their resolve, our nation—and the philosophy on which it was founded—has endured. This is what we celebrate each year on the Fourth of July.

I wish you and your family a safe and happy Independence Day celebration.

Cool Painting and a Good Message

So I said to him, "Barack, I know Abe Lincoln, and you ain't Abe Lincoln."

You cannot help the poor by destroying the rich.
You cannot strengthen the weak by weakening the strong.
You cannot bring about prosperity by discouraging thrift.
You cannot lift the wage earner up by pulling the wage payer down.
You cannot further the brotherhood of man by inciting class hatred.
You cannot build character and courage by taking away people's initiative and independence.
You cannot help people permanently by doing for them, what they could and should do for themselves.

.....Abraham Lincoln
